Rappahannock Community College
Warsaw Glenns
Virginia

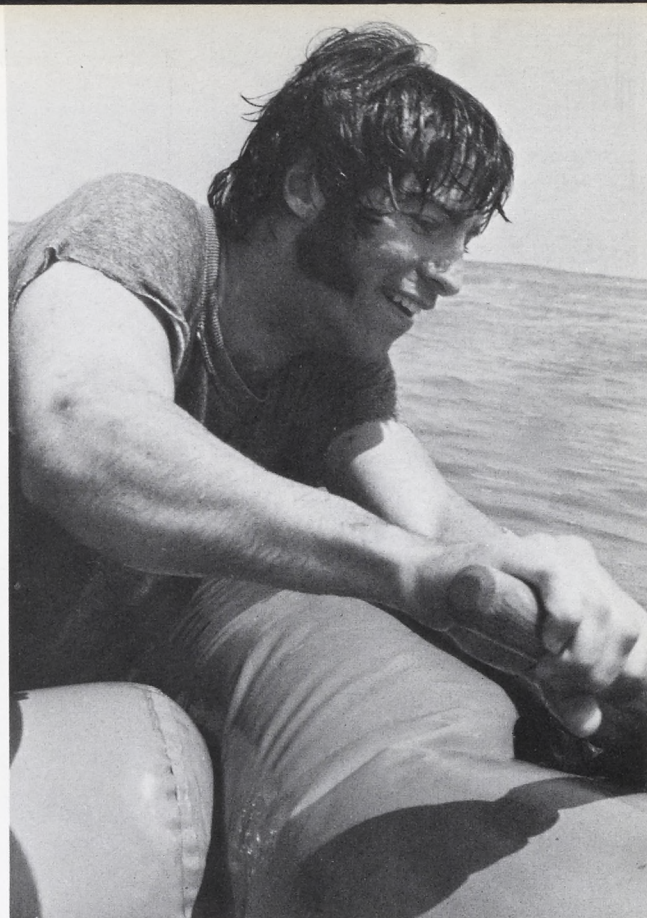

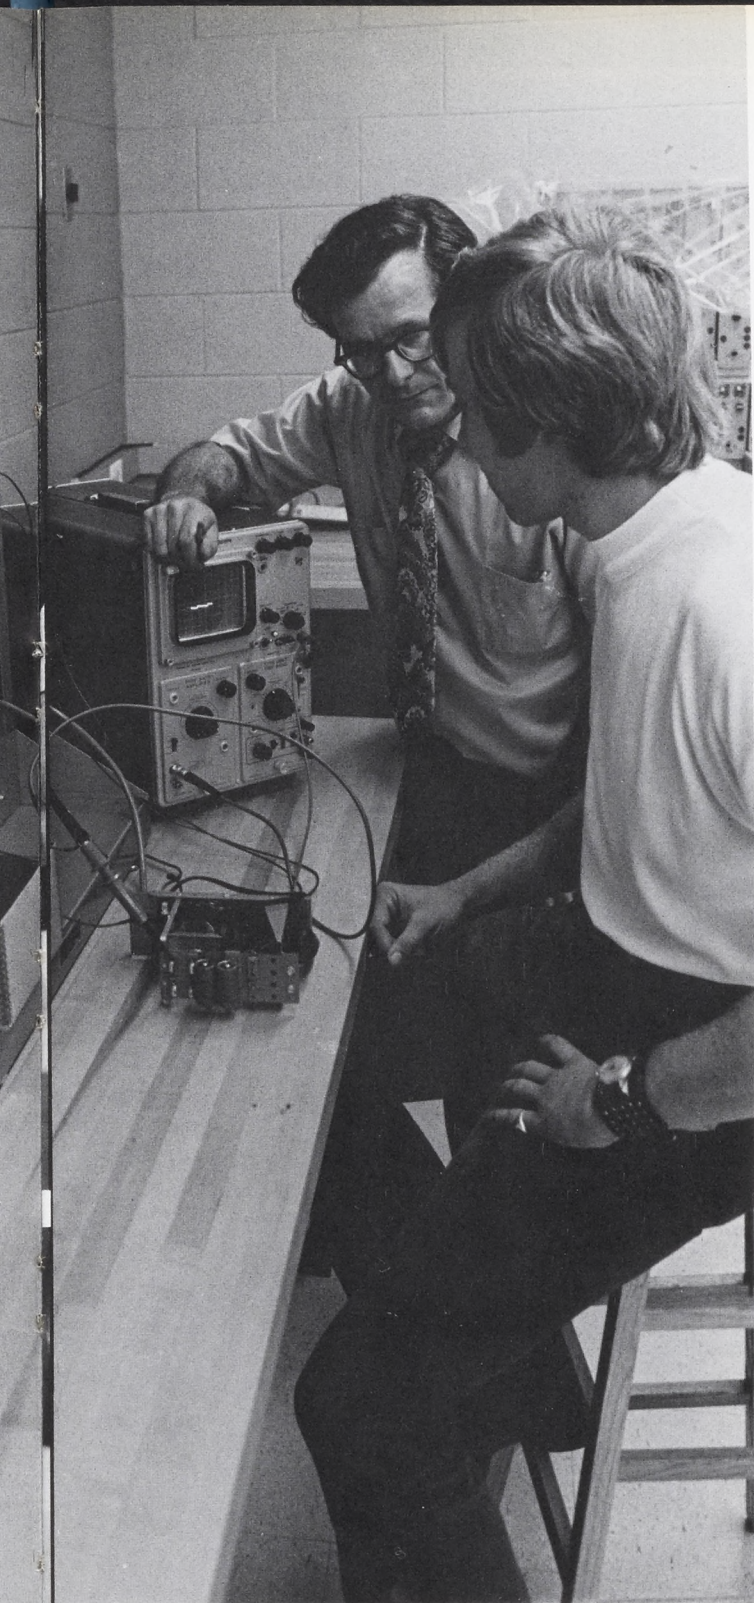

volume 1

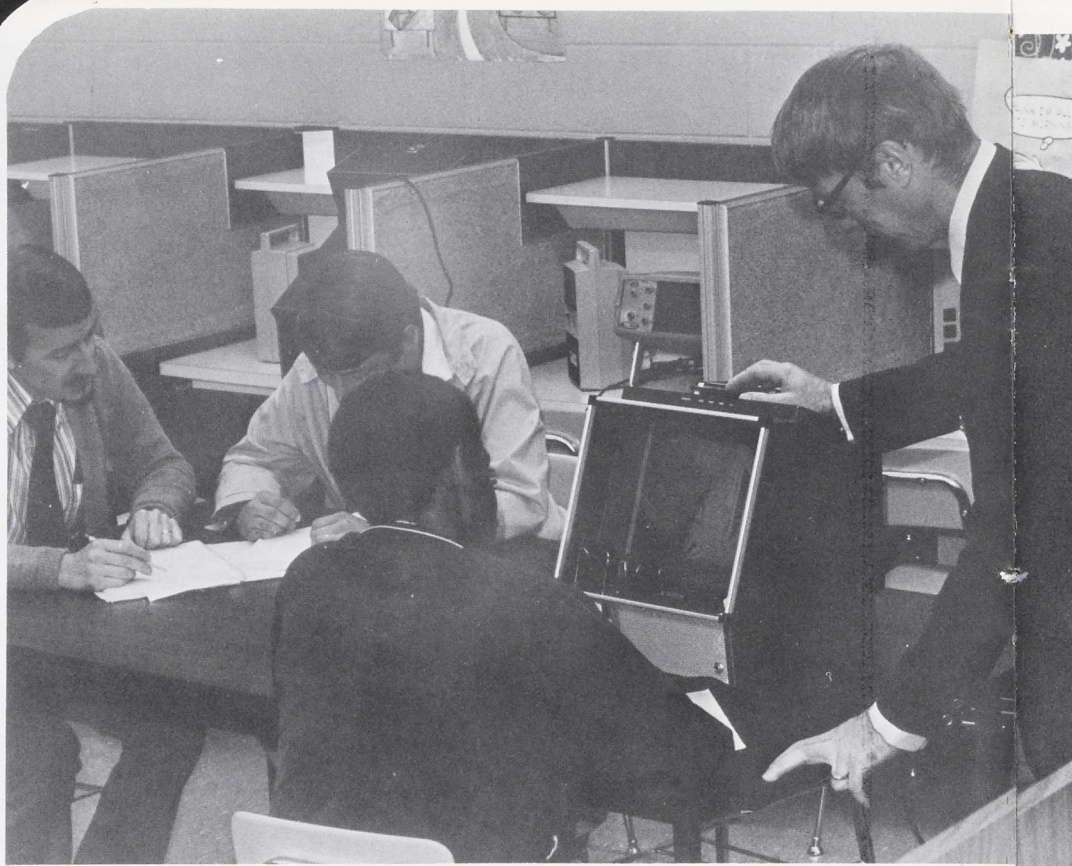

R.C.C. is yet a young college, one of the newest in the VCCS system. Between both campuses R.C.C. serves the largest area of any college in the system. Already R.C.C. is a growing part in the communities it serves.

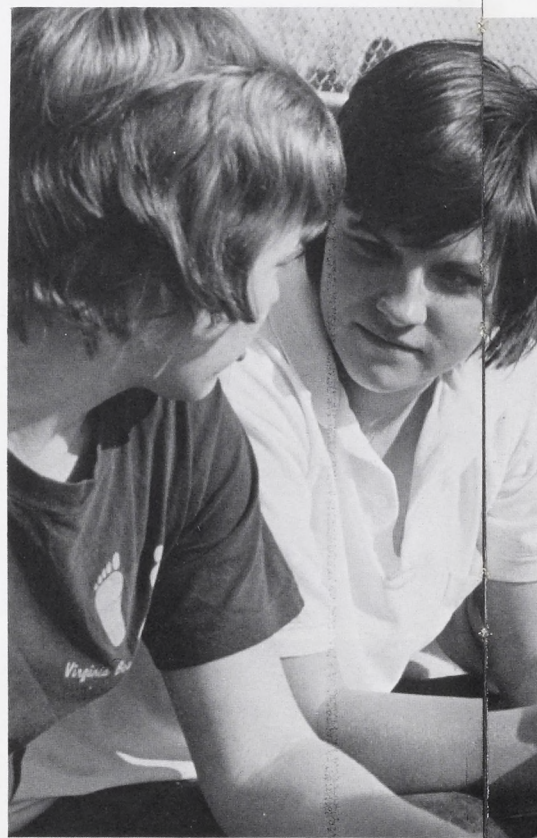

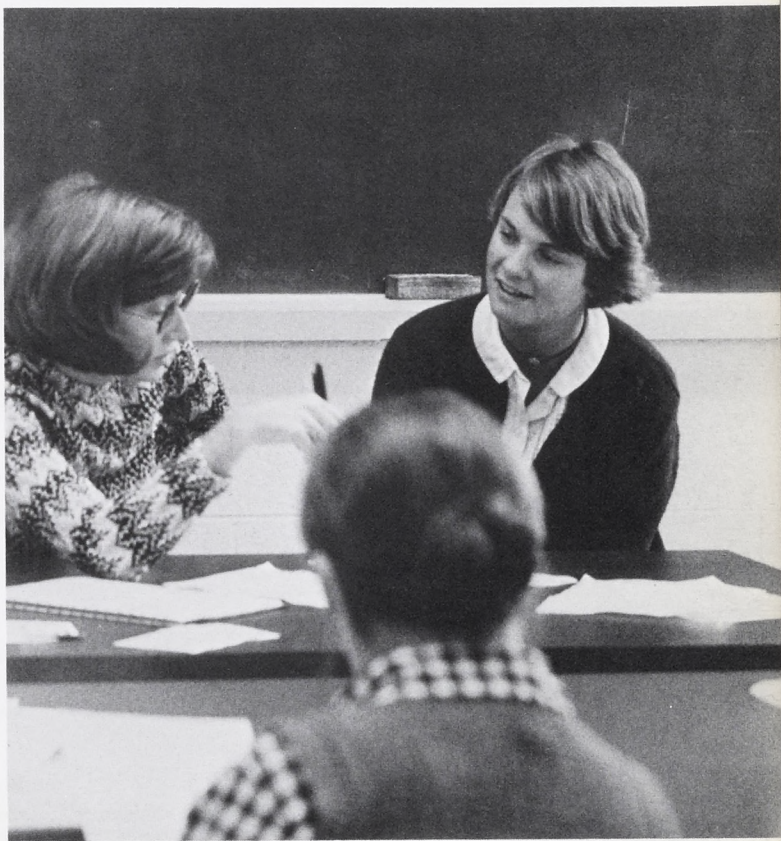

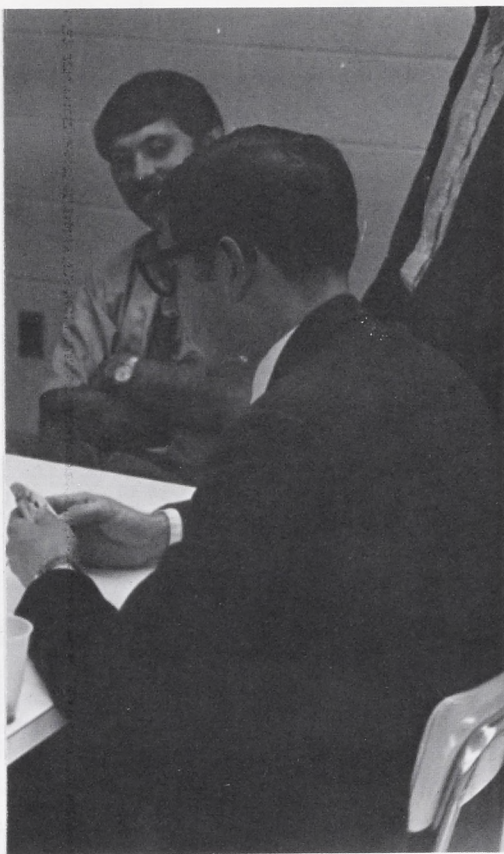

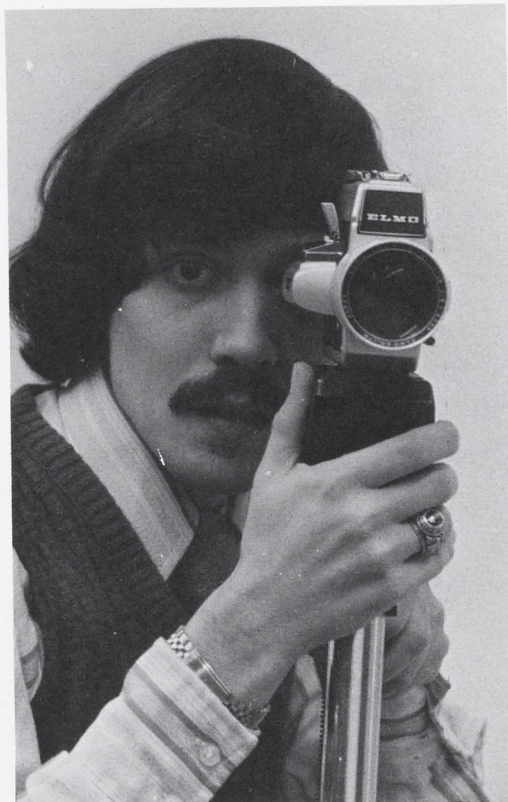

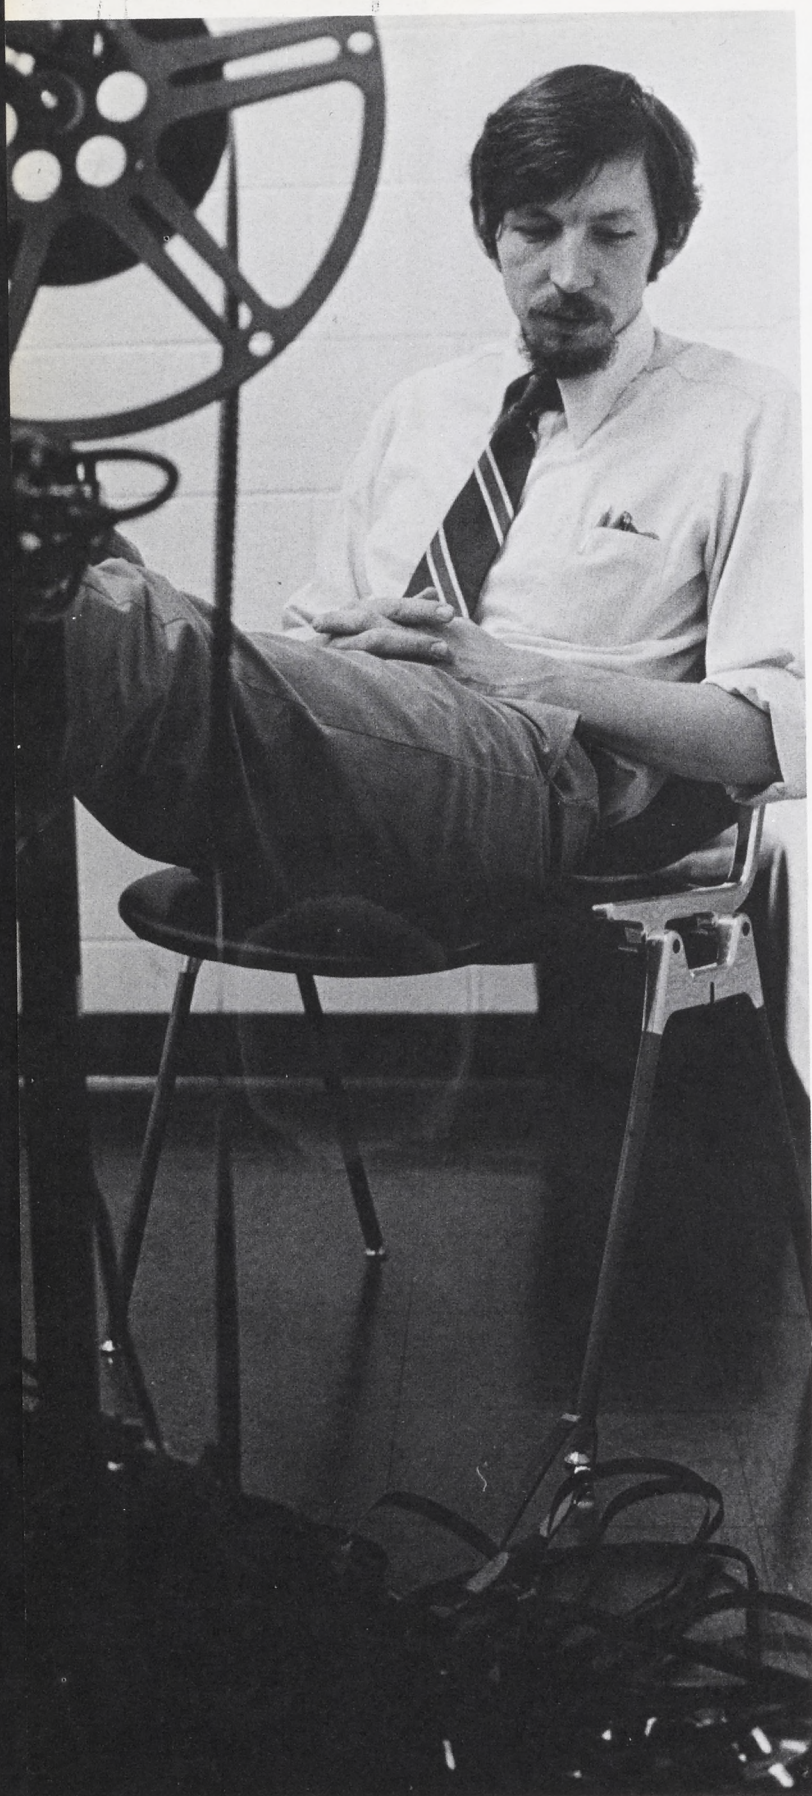

Many and varied, programs
at R.C.C. range from
vocational to college
transfer. Yet,
extensive personal
interest courses fulfill
local needs as well.

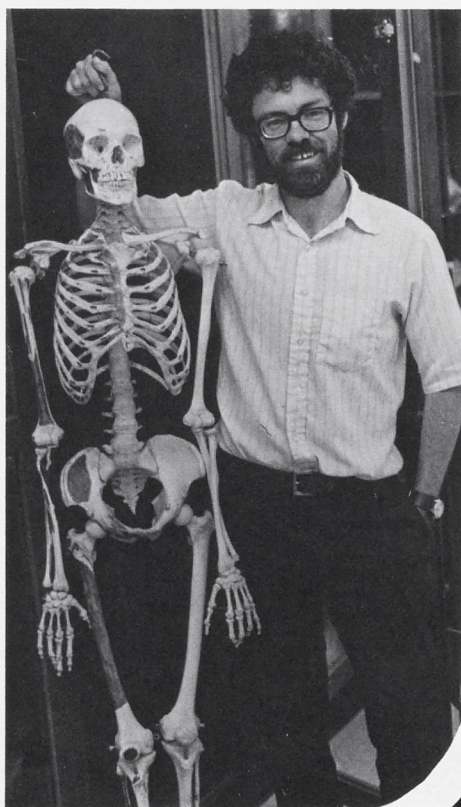

R.C.C enjoys a relaxed atmosphere. Students and professors work hard and play hard together. The rapport between students and faculty is excellent with emphasis on personal involvement rather than detachment.

STUDENTS GATHER

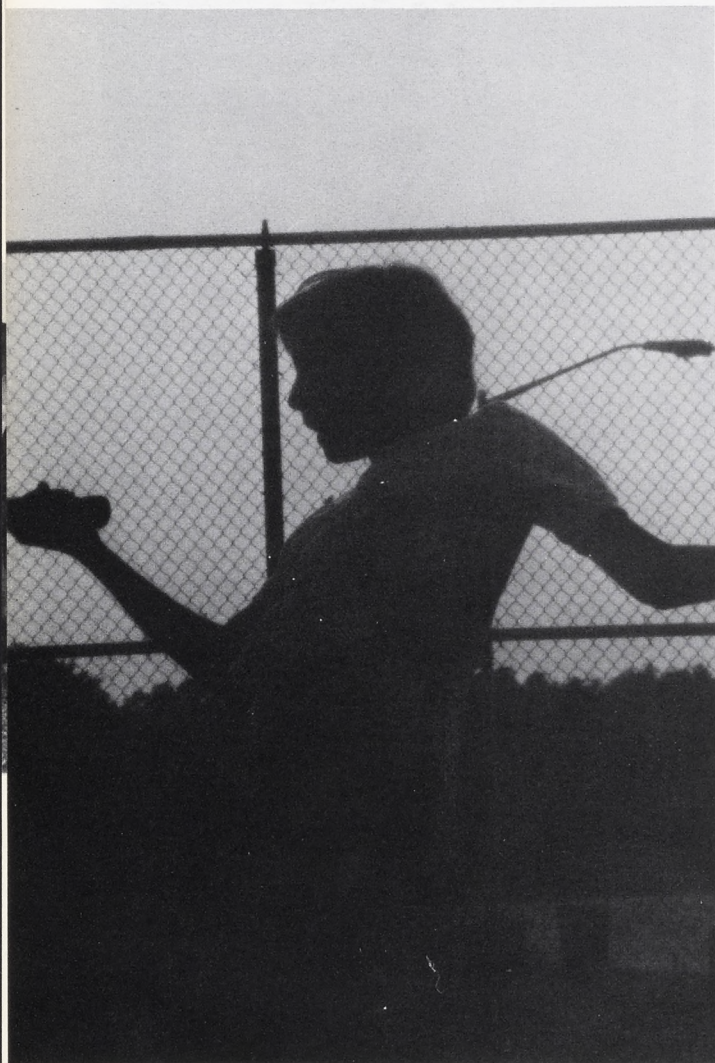

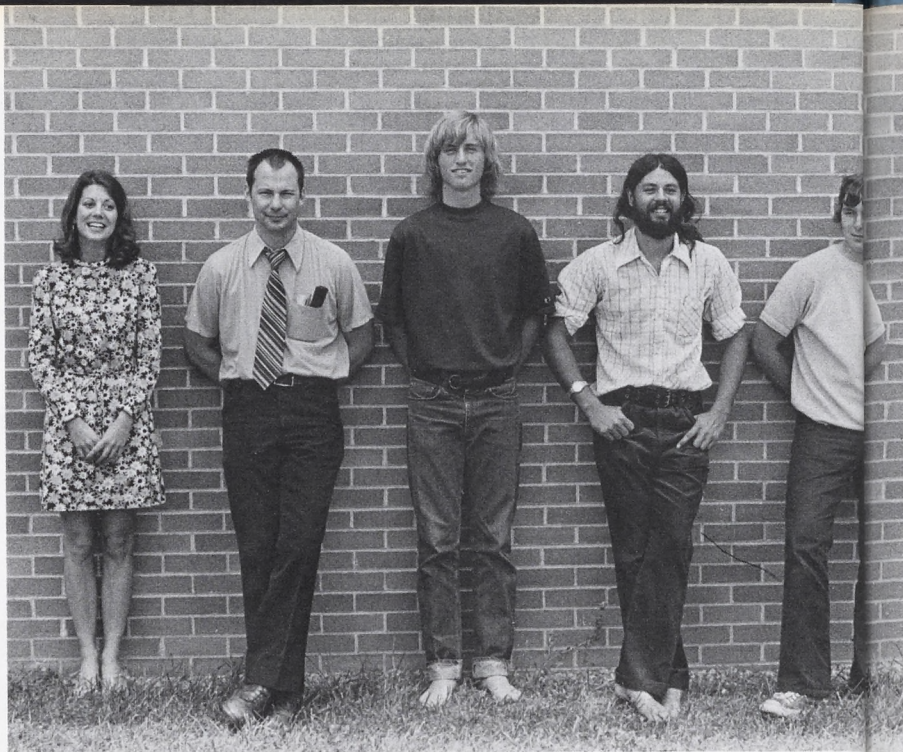

*enthusiasm+mud+
beer : winners*

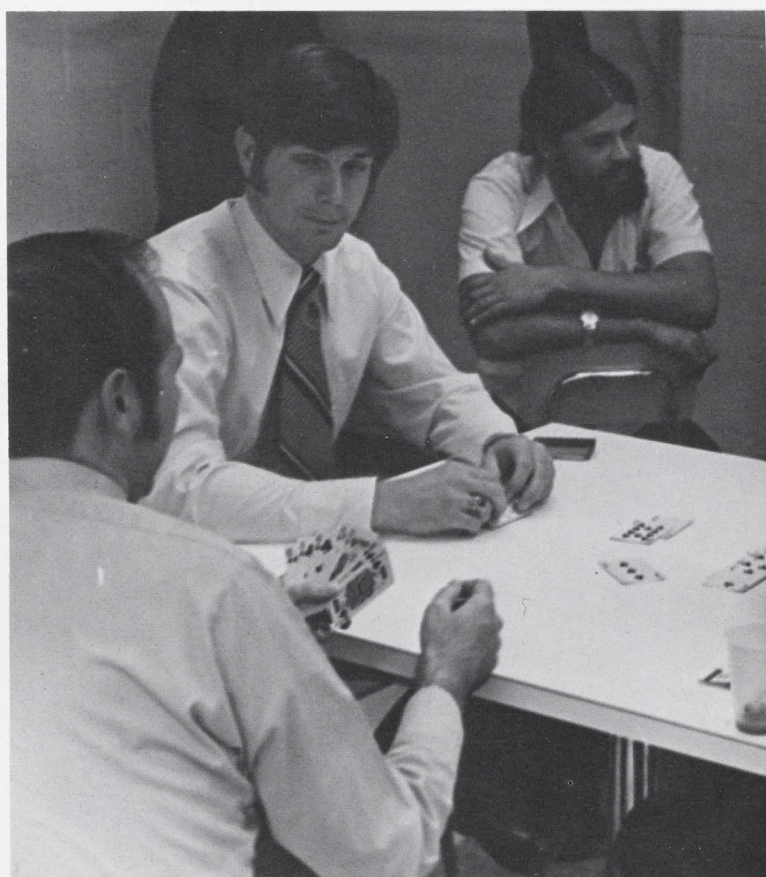

Through the joy of winning
and the agony of defeat,
through tears and sweat,
enduring burning sun and
chilling rain,
rival campuses became
sisters in victory.
Camping, beer chugging,
and mud sliding together
culminated the marriage
of two previously
separated groups. Both
campuses were winners in
more ways than one.

*good
sports*

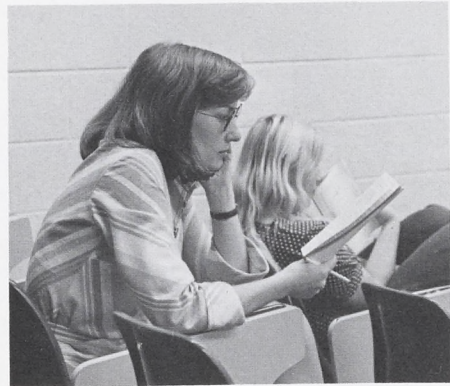

healthy bodies, too!

Intramural sports
are an integral part
of life at R.C.C.

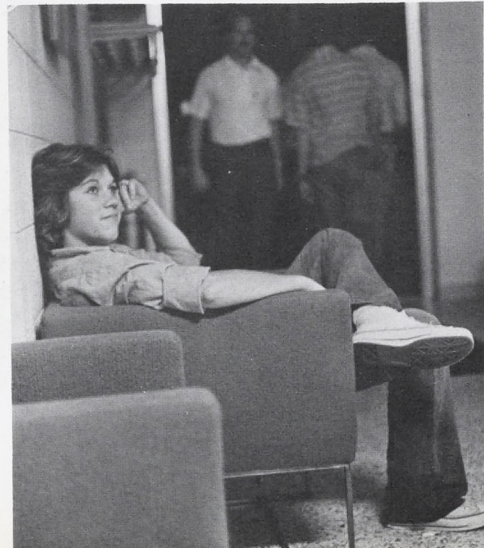

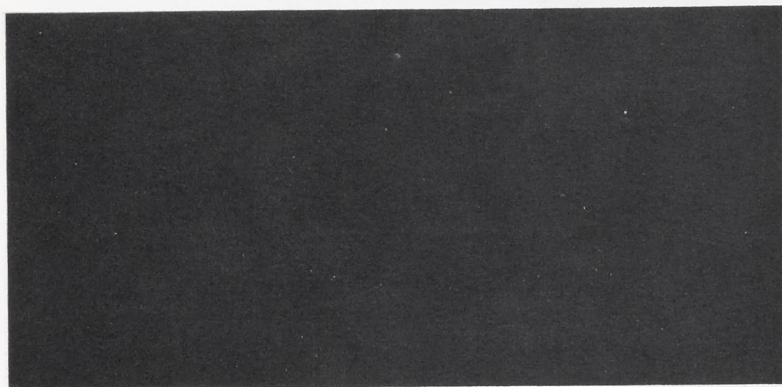

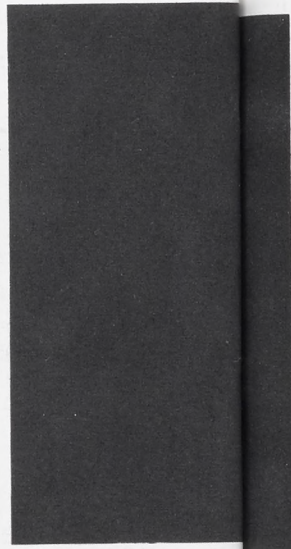

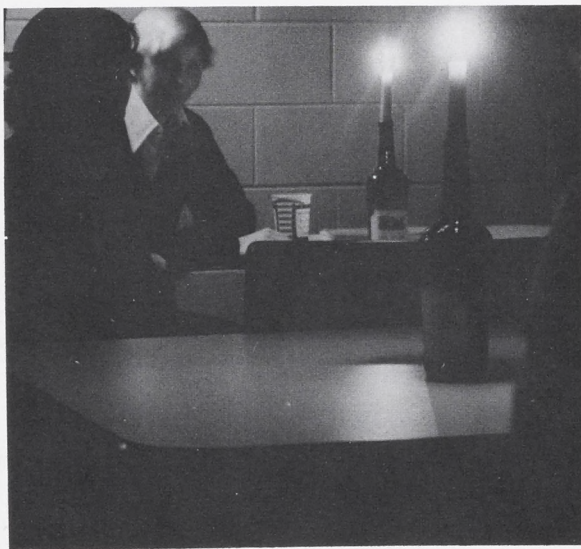

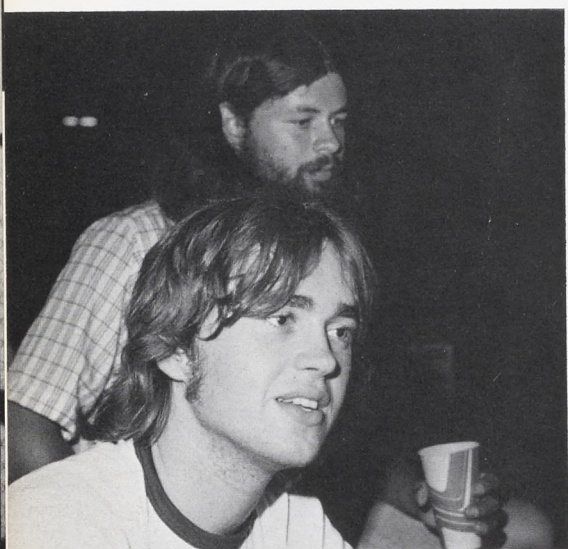

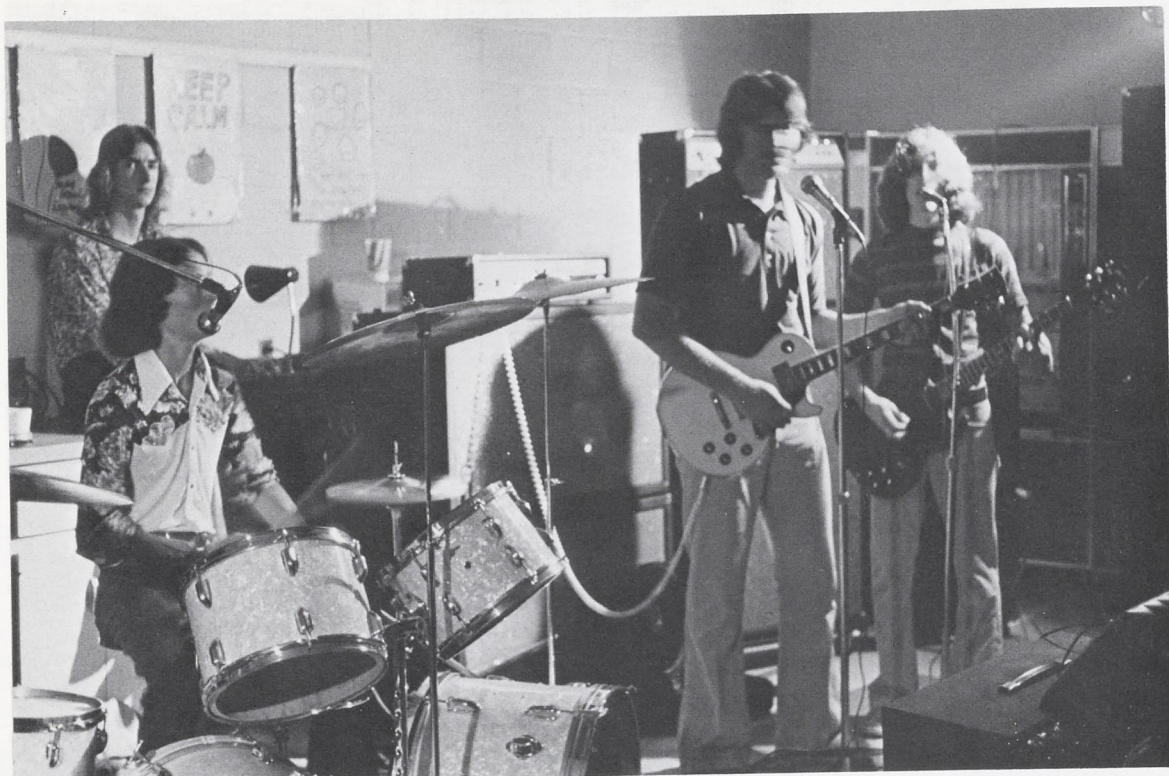

Scuba, tennis, softball,
football, water sports,
even cards, are sources
of great enjoyment for
many students without
the pressures of
intercollegiate
competition.
